Process Tubing

Features

- Transparent tubing
- Made of silicone
- Length of 3 m
- Bore size of 3.2 mm
- Suitable for contact with food
- Peristaltic pump compatible
- Density of 1.16
- g/cm³
- Shore A hardness of 62
- Elongation of 385%(approx)

RS PRO Silicone Transparent Silicone Tubing, 3.2mm Bore Size , 3m Long, Food Grade, Peristaltic Pump Compatible

RS Stock No.: 667-8444

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Process Tubing

Product Description

- *This flexible silicone tubing is suitable for use in most peristaltic pumps. The tubing is food-graded, so it's non-toxic, meaning harmful chemicals won't leak out of the silicone. This type of tube is often found in spray-coating dispensers.*

General Specifications

Material	Silicone
Food Grade	Yes
Colour	Transparent
Peristaltic Pump Compactible	Yes
Application	Ideal For Use With Peristaltic Pumps

Mechanical Specifications

Bore Size	3.2mm
Length	3m
Density	1.16g/cm3
Shore A Hardness	62A
Tensile Strength At Break	11.2MPa
Elongation At Break	385%
Tear Strength	21KN/m

Operation Environment Specifications

Maximum Operating Temperature	-50°C
Minimum Operating Temperature	200°C

Process Tubing

Approvals

Compliance/Certifications	EN61340
