Tap & Die Set

Product Description

Introducing the 54 piece HSS (high speed steel) tap and die set from our own brand RS PRO, a high quality and professional set ideal for a variety of DIY tasks. The combination of tap and die is perfect for tapping and thread cutting in a range of materials when used with a hand or power tool such as a tap wrench or power drill. The 54 piece set features a high speed steel construction for enhanced durability and resistance to corrosion.
