6ft (2m) USB C Charging Cable Right Angle - 60W PD 3A - Heavy Duty Fast Charge USB-C Cable - Black USB 2.0 Type-C - Rugged Aramid Fiber - USB Charging Cord

Product ID: R2CCR-2M-USB-CABLE

This rugged 6ft (2m) USB-C right angle cable can be used to connect and/or charge a USB peripheral. Conveniently connect USB-C enabled devices at a right angle to the cable for organized cable routing solutions.

The durable USB charging cable features aramid fiber reinforcement that protects the cable from the stress of frequent bends. This allows the cable to flex without over-stretching or damaging the core components of the cable.

The USB cable has been designed to prevent cable/connector strain. The extra-long strain relief moldings have been tested to withstand over 5,000+ bend cycles at a 180 angle.

The durable cable supports all USB specifications up to USB 2.0, providing a dependable connection for USB-C peripheral devices. It supports up to 3A for charging USB-C-enabled devices.

This product is backed for life, including free lifetime 24/5 multi-lingual technical assistance.
