REDEFINING HAND PROTECTION
WONDER GRIP®

WG-333 ROCK & STONE

The Wonder Grip® WG-333 Rock & Stone is a glove with a double latex coating constructed on a 10-gauge cotton and polyester liner. HDML™ coating specially developed by Wonder Grip® offers a non-slip surface for an outstanding grip.
This unique product, specially designed for heavy work, combines:
- Triple resistance: heat, cold, cut (level B ISO 13997)
- Robust protection
- Non-slip surface for exceptional grip

KEY FEATURES

✔ Soft yet robust technical liner engineered to provide protection against cold and heat, with B cut protection

✔ Exceptional wear resistance with dual protection against thermal hazards

✔ Extremely durable latex coating with reinforced thumb area for extended use

✔ Designed to follow the natural shape of the hand for ease of movement and extended wear
