chanhvinh.com

Features

- Made in the UK
- UV resistant
- DEHP and Phthalate Free
- Highly flexible – ease of handling
- Abrasion and kink resistance
- Ultra smooth liner ensuring water flow performance
- Resistant to repeated pulling, bending, crushing
- Working Temperature range -15ºC to +65ºC
- 3:1 Safety Factor

RS PRO Yellow Water Hose

RS Stock No.:

9175119, 9175112, 9175116, 9175125, 9175128, 9175122

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Hose Pipe & Flexible Tubes

Product Description

- *RS Pro yellow water hose is the ideal choice for heavy-duty watering and irrigation applications. Resistant to kinking, bending and pulling its multi-layered construction gives it excellent flexibility, wear and weather resistance. The inner core has been designed to optimise water flow while the outer shell is abrasion, UV and crush resistant making it ideal choice for harsh environments.*
