## Glass cover M 30

Part number 103226
for M 30 (ø 28)

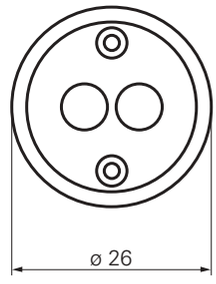

## Doubling lens M 18

Part number 107250

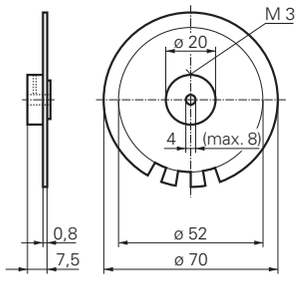

## Doubling lens M 30

Part number 107408

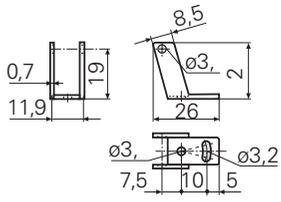

## Pulse disk IPS 70

Part number
IPS 70/1, IPS 70/60, IPS 70/100

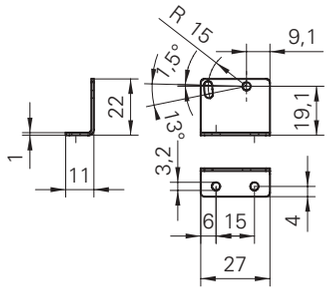

## Mounting bracket series 10

Part number 114501
cable type (with screw and nut)
Material steel

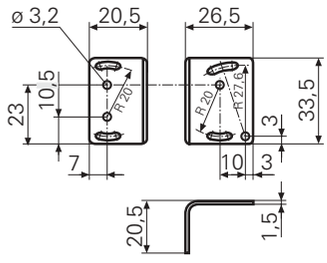

## Mounting bracket series 10

Part number 133792
connector type (with screw and nut)
Material steel

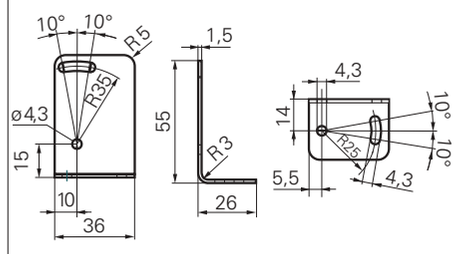

## Mounting bracket series 12

Part number 113873
Material steel

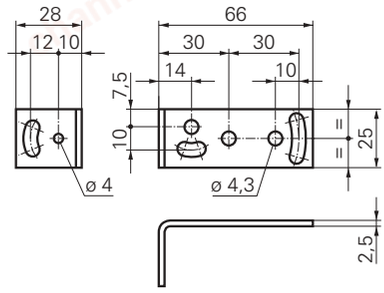

## Mounting bracket series 14

Part number 134964
Material steel

## Mounting bracket series 15

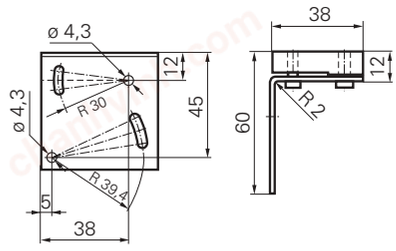

Part number 103415
Material steel

## Mounting bracket series 16

| | |
|---|---|
| Part number (special for OSDM) | 119373 |
| Material | steel |

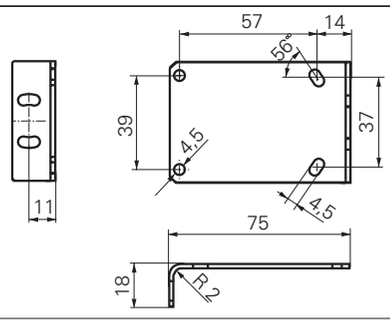

## Mounting bracket series 16

| | |
|---|---|
| Part number | 113917 |
| Material | steel |

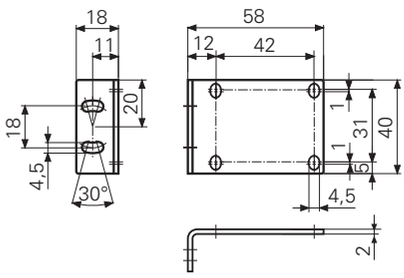

## Mounting bracket series 20

| | |
|---|---|
| Part number | 131521 |
| Material | steel |

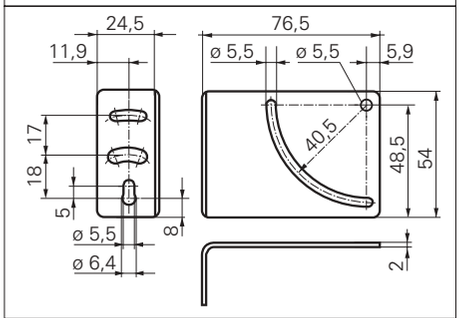

## Mounting bracket series 22

| | |
|---|---|
| Part number | 126220 |
| Material | steel |

## Mounting bracket series 26

| | |
|---|---|
| Part number | 112477 |
| Material | steel |

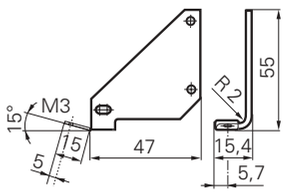

## Mounting bracket series 35

| | |
|---|---|
| Part number | 104524 |
| Material | steel |

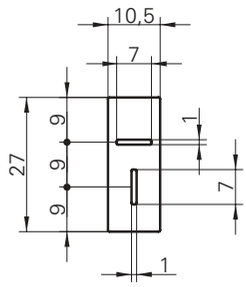

## Lens cleaning air nozzle bracket

| | |
|---|---|
| Part number (incl. nozzle) | 116407 |
| Material | steel |

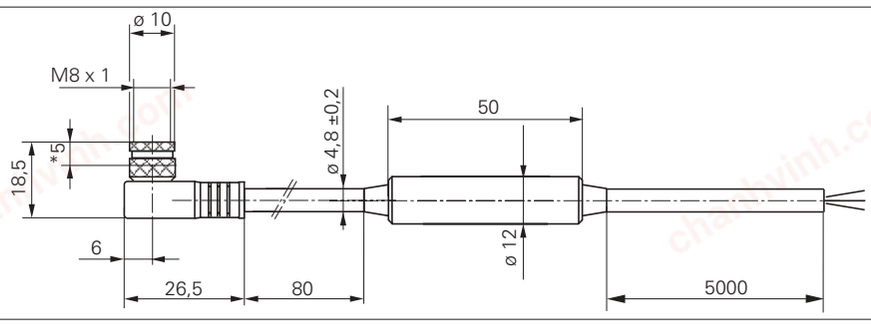

## Slot aperature stickers series 14

| | |
|---|---|
| Part number | 144075 |
| 2 pieces | |

## PNP to NPN-converter ESW 31

| | |
|---|---|
| Part number | 149587 |
| Material | steel |
