Technical data

Process connection

Application	Universal use, with leakage hole
Instrument connection	G 1/2 A hygienic
BCID instrument connection	A03
Process connection	Welding connection Ø 30 x 34
BCID process connection	W21
Material	AISI 316L (1.4404)
Surface roughness wetted parts	Ra ≤ 0.8 µm
Max. process pressure	100 bar

Compliance and approvals

Hygiene	EHEDG 3-A
