Features

- Available in four colours
- Cotton flock lined
- Free from powder
- Tested to EN1186
- Anatomically shaped and tapered at the wrist
- Beaded cuff
- Manufactured with diamond textured palms and fingertips
- Lightweight construction

Benefits

- Ideal for colour-coding in food, cleaning and healthcare environments
- Soft flock lining helps keep hands feeling cool and dry
- Suitable for those with latex allergies (Type I sensitisation) and minimises particulate contamination
- Suitable for contact with all food types
- Anatomically shaped for a more comfortable and ergonomic fit
- Beaded cuff provides extra strength during donning and helps prevent liquid roll back
- Diamond textured palms and fingertips provide improved grip, particularly when working in wet or oily conditions
- Lightweight construction provides good tactile sensitivity with reduced cost
