REDEFINING HAND PROTECTION
WONDER GRIP®

WG-516 DEXOIL+

The Wonder Grip® WG-516 DexOil+ is a ¾ nitrile back-coated glove that maximises grip, oil protection and refined hand mobility for its wearer. Double coated with our Wonder Grip Technology™, WG-516 DexOil+ combines high grip performance for secure handling, uncompromising liquid barrier on top of the hand and better suppleness for easy movement and high levels of comfort. The WG-516 DexOil+ is the perfect solution for users seeking superior grip performance for safe handling and higher comfort when performing delicate tasks in oily environments.

KEY FEATURES

- ✔ Soft, flexible liner providing suppleness and dexterity
- ✔ High resistance to industrial oils and abrasion
- ✔ Tailored to the natural shape of the hand to reduce fatigue and improve comfort
- ✔ Excellent tactile sensitivity with 3/4 back coating to protect knuckles and fingers

TYPE OF PROTECTION

- General purpose
- Industrial oils
