Sling Swivels QD • Ø9,5 mm, for slings up to 23 mm

EH 22330.

Product Description

The QD (Quick Detach) sling swivel for precision rifles is compatible with most sockets worldwide. Made of stainless steel and featuring the proven ball lock pin technology, the sling can literally be detached at the push of a button. Especially important for hunting applications: the PUSH & GO connection is not only durable and reliable, but also completely silent.
ATTENTION:
If sockets are not from Halder, a functional test is absolutely essential!
