U-Handles • with support washer
EH 24310.

Product Description

U-handles are used, for example, on machine doors, furniture doors, cabinet doors, drawers and drawer units.
These rounded U-handles are characterised by their ergonomic and stable construction and their simple and timeless design.

Material

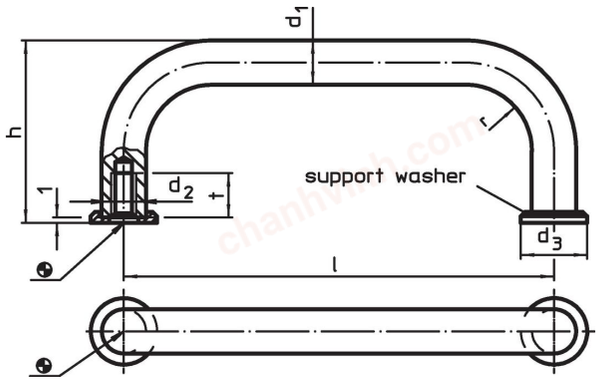

Handle
- Steel, chromium-plated
- Steel, plastic coated, black
- Stainless steel 1.4305, dull blasted

Support washer
- Zinc die-cast, nickel-plated
- Stainless steel

Assembly

The support washer provides a good bearing surface.
The appropriate support washers are provided as loose items.
