95 16 165 T

Cable Shears

IEC 60900 DIN EN 60900

1000 V

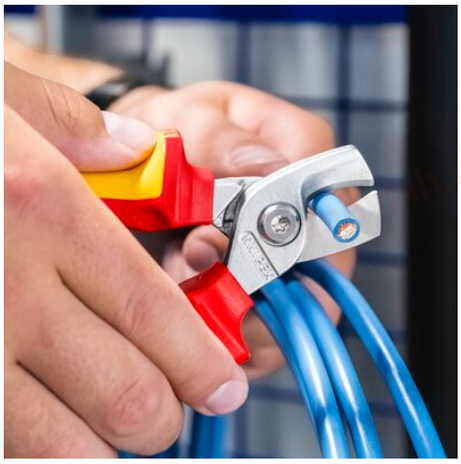

- Smooth, even cut with high cutting capacity – without crushing the cables
- Minimal effort required and easy one-handed cutting due to optimised joint and blade design
- Reduced fatigue during frequent cutting due to the ergonomic design – effortless cutting even for those with small hands

- Cuts up to Ø 16 mm, multi-strand copper and aluminium cables up to 50 mm²
- Insulated with multi-component grips, VDE-tested
- Adjustable screw joint for smooth and precise operation
- Slim head for good accessibility
- Long service life due to laser-hardened cutting edges
- Minimised risk of pinching due to concealed closing stop

General	
Part No.	95 16 165 T
EAN	4003773081524
Shears	chrome-plated
Handles	insulated with multi-component grips, VDE-tested with integrated insulated tether attachment point for a tool tether
Weight	260 g
Dimensions	165 x 67 x 28 mm
Standard	DIN EN 60900 IEC 60900
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

Technical details	
Drop Protection System	yes
VDE tested	yes

technical change and errors excepted
