/ Standards

- EN 388 : 2122X
- EN 21420:2020

/ Use

Cowhide grain leather gloves with split leather cuff, adjustable straps; designed to perfectly fit over the Electrovolt gloves.
Leather protectors are recommended to be worn over insulating rubber gloves to ensure mechanical protection (local regulations, work practices and risk analysis apply).
Specifically designed to fit over the Electrovolt gloves in order to ensure a good level of dexterity.

Document not contractually binding, errors and omissions excepted
