RS PRO 15m Coaxial Male to Male TV Cable, White

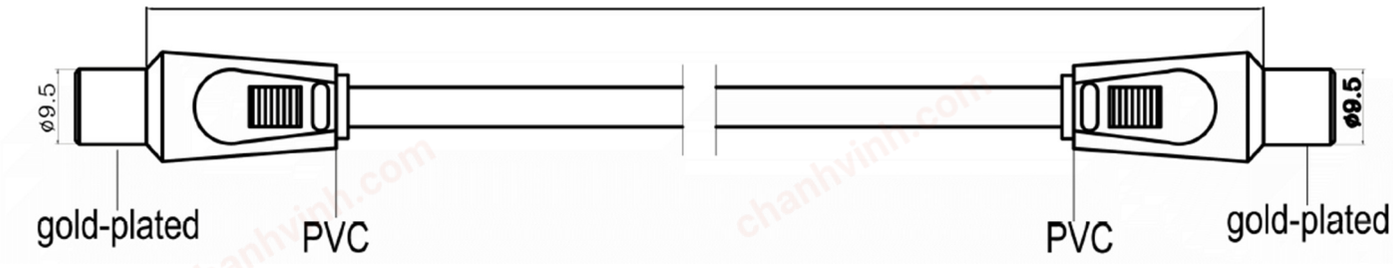

Stock number: 192-4493

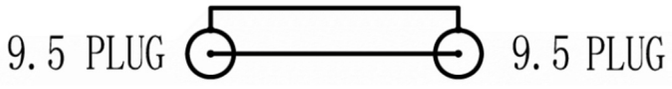

EN

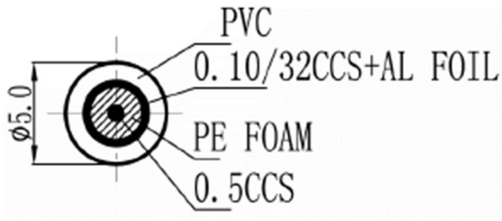

The RS PRO 15 metre, 75-ohm coaxial TV cable has a white PVC jack and boots.

The inner core is a single, solid core and has a PE foam surrounding and is double shielded with a layer of aluminium foil and a CCS braid.

Coaxial TV cables are generally used to connect a TV aerial to a TV.
