2375259 FUSE HOLDER

Stock No:

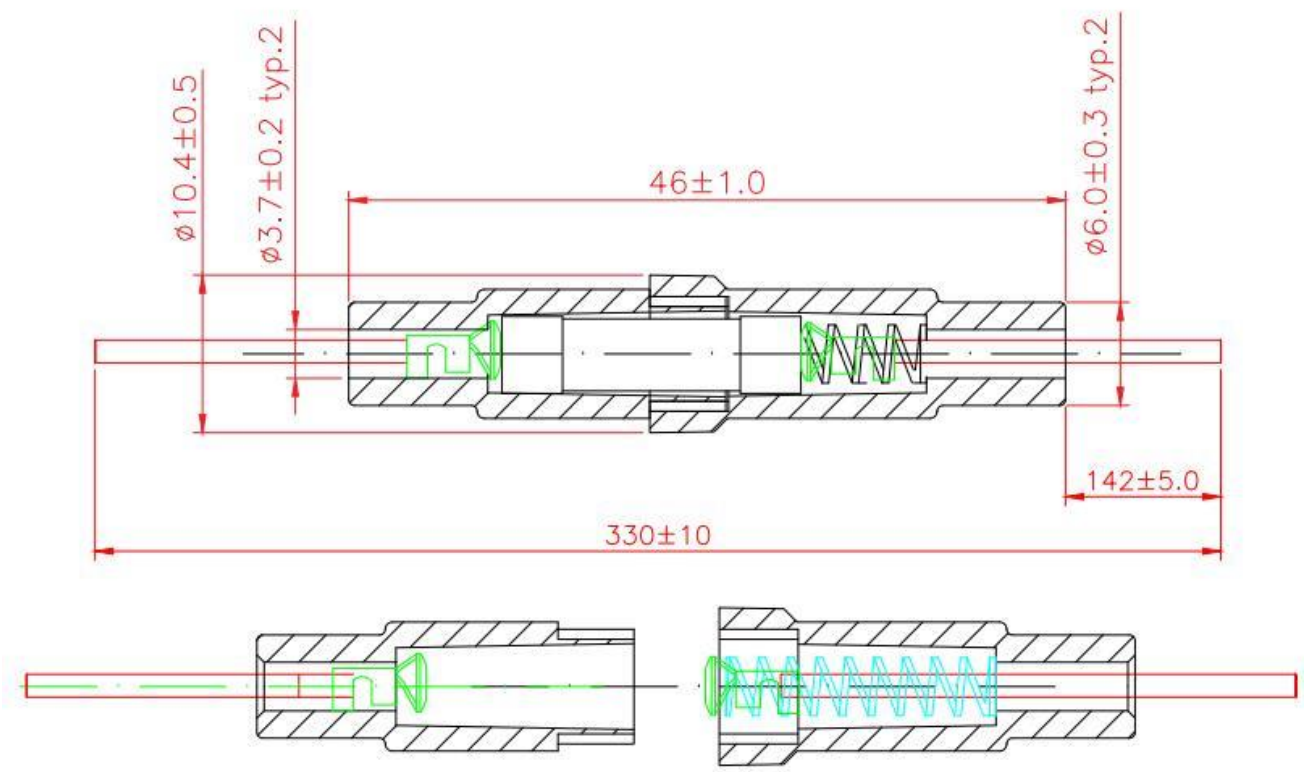

Technical Specifications:

Rating	10A250V Maximun
Material	Black Nylon and brass
Applicable	5X20MM Tube Fuse
Wire	UL1015 18AWG 142MM*2 red

Features & Benefits:

- compatible fuses: 5X 20mm tube fuse
- Maximum current rating are 10 amperes at 250V
- wire is 1015 18AWG red , nominal OD is 2.8mm
- lead pull test will withstand 10lb. Pull.
- Ambient temperature is -40℃ to +80 ℃.
- Packaging is 100PCS bulk pack.

Dimensional line drawings

Warning: If use above 32V, Power must be turn off when changing the fuse.
