FEATURES

- Quick and easy adjustment of sensor immersion length
- Brass provides corrosion resistance and good thermal conductivity

RS BRASS COMPRESSION FITTING 1/2"BSPT X 6mm (Pack of 5)

RS Stock No.: 2623231

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Sensor Accessories

Product Description

Thermocouple installation fittings

General Specifications

General Description	Compression Fitting
Material	Brass
Style	BSPT
Size	1/2"BSPT X 6mm
Pack quantity	Pack of 5

Approvals

RoHS Compliant	Yes

Ordering

Pack of 1	Pack of 5
286771	2623231

Temperature.
It matters

Calibration

Whether it's existing equipment or a new purchase, you need to have confidence in the accuracy of your measurements.

That's where our calibration service can help.

Purchase new products with confidence.

A certificated calibrated sensor straight out of the box, ready to use.

RTD Detectors

Wire-wound type provides greater accuracy and stability but are vulnerable to shock.

Flat film type are resistant to shock and have quicker thermal response times.

Various lengths and diameters available, in class A, B and 1/10th Din.
