Crimp Tools

Features

- High strength, through hardened alloy steel construction
- Unique mechanism significantly reduces hand force
- Versatile and easy to customize for right hand or left hand users.
- Non-slip pad holds tool in place when leveraging on a work surface
- Full cycle crimp mechanism to ensure consistent, reliable crimp
- Ratchet release mechanism to clear miss-crimps and obstructions
- Precision eccentric adjustment for consistent performance and ability to calibrate
- Hole in handle allows attachment of safety strap
- Each tool has a unique serial number for traceability

RS PRO KAA-0760 is a tool for crimping vibration resistant red, blue and yellow insulated terminals

RS Stock No.: 267-3133

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Crimp Tools

Product Description

- *The KAA-0760 ergonomic hand crimp tool is designed for crimping red, blue and yellow pre-insulated crimp terminals with wires of cross-section range from 0.5 to 6.0mm2. This RS PRO ratchet hand crimp tool has asymmetric colour-coded die nests, a ratchet with safety release, and ergonomic handles allowing two-handed operation for a comfortable, secure crimping action.*
