RS Stock No.: 2691884

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Cable Clips & Clamps

Product Description

From RS Pro, this robust low profile plastic cable clip is ideal for securely holding your flat ribbon cables together in permanent or semi-permanent installations. The side of the clip is held open and the cable is simply inserted inside, the clip then springs shut holding the cable securely in place. The base of this cable clip is self-adhesive for easy and secure fixing eliminating the need for any tooling.
