RS Stock No.: 450-3963

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Cutters

Product Description

From RS PRO, this robust cable cutter is tough enough to cut through steel wire rope. With high carbon steel blades, this wire cutter is able to cut steel wire without distorting the end profile of the material. With a special action and ergonomic handles, the wire rope cutters are easy to use and deliver an efficient cut.
