Datasheet

RS Pro 20W/m Trace Heating Cable Self Regulating, 240 V, 20m

RS Stock No: **665-7539**

Product Details

RS Pro 20 W/m trace heating cable measuring 20 m, has a voltage rating of 240 V. This self regulating cable is used as frost protection and temperature heating tape.

RS, Professionally Approved Products, gives you professional quality parts across all products categories. Our range has been testified by engineers as giving comparable quality to that of the leading brands without paying a premium price.

Specifications:

Cable Type	Frost Protection, Self Regulating, Trace Heating
Hazardous Area Certification	ATEX
Length	20 m
Maximum Operating Temperature	+80°C
Operating Temperature Range	Maximum of +80°C
Output per Metre	20 W
Self Regulating	Yes
Sheath Material	Polyolefin
Standards Met	BS EN 62395
Voltage Rating	240 V

RS, Professionally Approved Products, gives you professional quality parts across all products categories. Our range has been testified by engineers as giving comparable quality to that of the leading brands without paying a premium price.
