Cutters

Product Description

Our RS PRO branded Chrome Vanadium Steel side cutting pliers are the perfect tool for precision work when you need to hold, bend, twist, strip or cut small-gage wires. These cutting pliers (also known as diagonal cutters) are also an excellent hand tool for the professional electrician to add to their tool kit as they are one of the most useful types of pliers you can have.
This range includes the following:
847-3784 – 4.5 inch side cutter pliers, cutting capacity soft wire: <1.3mm
847-3780 – 4.5 inch cutter pliers, slim, cutting capacity soft wire: <0.8mm
