Product Description

Introducing folding step ladders from RS PRO, a range of high quality and convenient step ladders ideal for use in a wide range of environments. This range of step ladders are the perfect solution for gaining extra height to access areas out of reach. The step ladders feature a steel framework construction complete with a soft and comfortable handle and plastic floor protectors. The treads (steps) feature non-slip ribbed rubber providing extra grip and stability for the user when in use. The steps can also be easily folded for convenience, allowing them to be stored in a cupboard to save space in areas with limited space. This range of folding step ladders from RS PRO are ideal use in a range of applications and are available in tread sizes 2, 3 and 4.
