CUT PROTECTION

HEAT PROTECTION

234X

Uncoated cut resistant glove engineered with hppe-reinforced spandex

Showa 234X gloves are designed to provide exceptional protection in high-risk environments. Featuring a Level D cut resistance rating according to EN 388:2016 standards, they ensure reliable protection against cuts & abrasions. The 15 gauge seamless knit spandex liner is reinforced with HPPE for added strength & durability.

Features

- Cut resistant: Level D / A4
- Lightweight, 15 gauge seamless knit spandex liner with HPPE
- Light contact heat protection up to 100°C
- Food handling approved
- Lightweight, supple liner with breathable open back design
- Cooling and breathable HPPE properties reduce perspiration and keep hands dry
- Designed for use in high cut risk areas such as food processing & food service industries
- Ambidextrous and launder-able for multiple use, less waste and cost reduction

Certifications
