CUT PROTECTION

546X

Lightweight uncoated glove with duracoil cut resistant liner

Featuring SHOWA's DURACoil liner and reinforced with HPPE, this cut and abrasion-resistant glove is an ultra-comfortable multi-usage work glove. The light colour makes it easy to identify soiling and contamination. The 546X glove is also very lightweight, making it an ideal liner for another glove.

Features

- Increased cut resistance performance due to engineered DURACoil wrapping technology
- Optimal dexterity and tactile feel retained
- Seamless knit designed to prevent irritation
- Designed for easy movement and continuous wear
- A lightweight, elastic low lint glove
- White colour helps identify soiling and contamination

Certifications
