MULTI PURPOSE

B0500 White

World's first PU form palm-coated glove

Developed after careful study of the Japanese high-tech industry and has been popular all over the world since its introduction. A very supple, stretchable, lightweight and comfortable mechanical barrier that adapts to every movement. Ideal for precision work and product protection.

Features

- Polyurethane coated palm for grip and protection
- Outstanding operability for delicate work
- Seamless knitted Nylon liner
- Exceptional dexterity and feel
- Provides protection for delicate applications
- Thin coating facilitates movement
- Lightweight seamless liner prevents irritation
- Avoids palm perspiration contact

Certifications
