9"(22cm) Metal Cable Ties - 1/4"(7mm) wide, 2-1/4"(55mm) Bundle Dia. 100lb(45kg) Tensile Strength, Nylon Coated 316 Stainless Steel, Self Locking Metal Detectable Ties, 50 Pack - TAA

Product ID: CBMMCT

These stainless steel metal cable ties provide a strong solution to conveniently bundle and secure multiple cables, and to route and organize them. 50 cable ties are included, ensuring you'll have plenty on hand.

These stainless steel-cable ties are 9 in. (22 cm) in length securing cable bundles up to 2.16in (55mm) in diameter and up to 100 lbs. (45 kg) -- perfect for organizing network cables, power cables or other cables and wires.

Made of 316SS and Nylon 11 coated, these stainless steel ties are non-abrasive and weather, corrosion and impact resistant, making them suitable for any indoor or outdoor cable management solution, including marine applications. They're also metal detectable for use with fiber optic cables.

These stainless steel ties can easily be installed by hand. However, to reduce time and repetitive strain on your hands when installing many cable ties, StarTech.com also offers a Metal Cable Tie Tool (CBMMCTTOOL), that works with our cable ties as well as other metal cable ties (sold separately).

These cable wraps are TAA compliant and backed by a StarTech.com Lifetime warranty and free 24/5 technical support. StarTech.com has been the IT professionals choice for over 30 years.

Certifications, Reports and Compatibility

RoHS Compliant | TAA COMPLIANT | CE
