THE HAND PROTECTION **SPECIALISTS**

## TG5210

A lightweight cut index C glove compliant to EN388:2016. The PU coating offers excellent grip in dry conditions. Close fit and high tear and abrasion resistance makes this glove a good choice for general handling tasks with a cut risk.

KEY

- Dry
- Wet
- Heat
- Oily
- Cold
- Chemical

### Key Features

- Close fitting and breathable PU glove
- Great cut resistance, durability and dry grip
- Available with 3 exposed fingertips if further dexterity is required

### Ideal for

- Automotive
- Construction and utility
- Engineering and manufacturing
- Warehousing and logistics
