100 pairs per case

Classification:

CE EN388 3121X

UKCA

Features

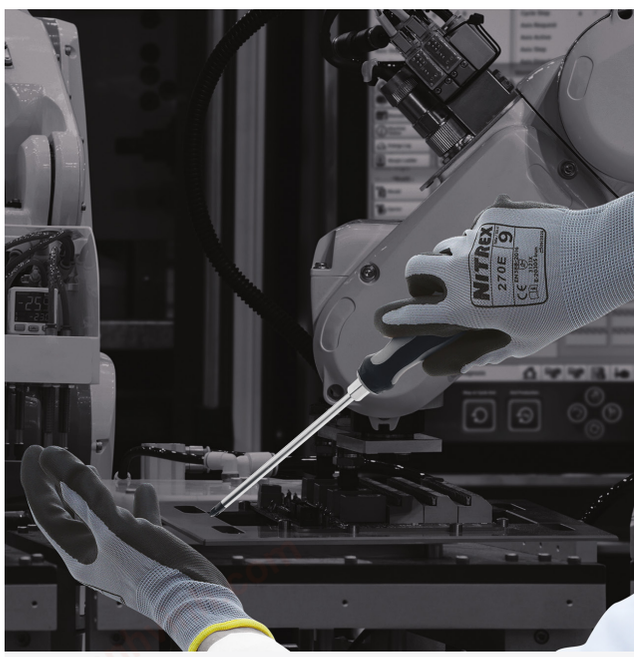

- Light weight seamless polyester liner
- Foam nitrile palm coating
- Moisture wicking foam nitrile surface
- Excellent abrasion protection

Benefits

- Close fitting and comfortable with a high level of dexterity
- The coating absorbs and draws oil and liquid away from the glove surface
- Wicks moisture away from the palm of the glove, ensuring grip is maintained in wet and dry environments
- Provides durability in use

Sectors

- Aerospace
- Automotive
- Construction
- Manufacturing
- Electronics
- Light Engineering
