PANDUIT®

Quick Ship Fiber Interconnect Delivery Program

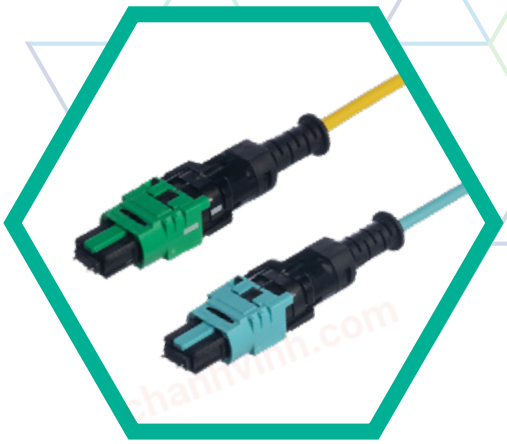

PanNet™ Fiber Interconnect Assemblies

- **Panduit pays shipping charges**
- Delivered within 10 business days of order booking by Panduit
- Orders received after 2PM CST will be booked the next business day
- Delivered to “Ship To” address on the purchase order
- Maximum order quantity = 50
- Continental USA and Canada only

Interconnect Options

- 8-Fiber or 12-Fiber
- Singlemode or OM4
- Plenum (OFNP) jacket
- PanMPO
- Standard or Optimized Ultra IL performance

PanMPO™ Connectors are offered for Singlemode and Multimode Assemblies

- The **PanMPO Connector** is the only MPO fiber optic connector that can change gender and polarity in seconds.
- Pull-boot makes insertion and extraction of assemblies much easier, even in high density patch panels.
